

# EXAM WEEK 3<sup>rd</sup> Year Students

## Coláiste Abbáin

18<sup>th</sup> -22<sup>nd</sup> May 2020

### FAO: All 3<sup>rd</sup> Year Students and Parents / Guardians in Coláiste Abbáin

1. End of Year Junior Cert Grade for their school based report.
  - ***90% based on work up to the school closure on 12<sup>th</sup> March 2020***
  - ***10% end of year exam***
2. For the Exam Timetable 2020 there are two Exam sessions every day.

The morning session will take place between 9:00 -12:00 noon with the afternoon session running between 13:00-3.30. Teachers will communicate to students how they will assess their students. It maybe through teams or email in the format of an end of year project, open book exam etc. Student engagement to the end of the academic year is very important.

- If it is a project the time slot given for that subject is the deadline time to submit the work for marking.
- There will be no teaching for students during this Exam Week.
- Allowances for Wi-Fi and access to technology are being made in this Exam Week, hence the more generous time spacing than would usually be the case to allow all students to have the opportunity to return work.

**Summer Assessment Schedule 2020: Please read and note:**

Assessment may vary as what is appropriate for a theory based subject, may not be appropriate for a practical subject all subject departments will be using the same method of assessment.

Please therefore now find **ATTACHED**: Exam Timetable for 3rd year students at Coláiste Abbáin for the Summer Term 2020. Please ensure you read through it and, if possible, save it and / or Print it off.
