Dear Parents/Guardians,

As part of the process to help students develop their future career options, the school is organising a careers trip for **all** 6th years to both the World Skills Ireland event and the Higher Options event, both in the RDS Dublin, on **Thursday 21st September**. All 6th years are expected to participate in this important National careers event. There will be no cost for the bus or for entry to the World Skills event. There will be a **€10 charge for students who wish to go to the Higher Options** event. Students can go to both events.

The bus will leave school at 7:30am on Thursday 21st September and will return to school at approximately 5pm.

Regards,
