Sunday, 13 December 2020

Dear Parents/Guardians,

This afternoon I was informed by Public Health/HSE of a positive case of Covid-19 in a member of our school community. This is the first case of Covid-19 confirmed amongst our students. I send the school's best wishes to the person affected for a full and speedy recovery.

A public health risk assessment has been undertaken and the parents of any children deemed to be close contacts of the confirmed case have been contacted and advised accordingly.

**Your child has not been identified as a close contact at this time, your child does not need a test for Covid-19, they can continue to attend school, and no further actions are required at this time.**

Everyone is reminded to ensure all Covid procedures and regulations are strictly adhered to when the school opens tomorrow as normal.

Yours sincerely,

John Nolan.  
Principal.
