Mock Examinations 2022

Dear Parent(s)/Guardian(s),

I wish to provide you with an update as set out below. The Mock Exams are different then the State Exams in that they are not subsidised in any way and are fully dependent on the Mock Exam Fee being collected from every student – including those who may have Medical Cards.

The total cost of the Mock Fees are as follows:

- €30 for Junior Cert Mock Examinations
- €30 for Leaving Cert Mock Examinations

This cost includes:

- A. Purchase of all examination papers required for candidates
- B. All stationary requirements for the exam candidate.
- C. Postage of papers & correction of papers through external agencies in a small minority of exams.

The Mock Exam Fee was sent via Way2Pay this morning. If you have any queries regarding the Mock Exams or difficulties logging onto WAY2Pay, please do not hesitate to contact us.

Kind regards,
