Re:Study Skills

Dear Parent(s) / Guardian(s),

In order to prepare for the Junior Certificate in 2020, Coláiste Abbáin is providing the opportunity for your son/daughter to attend a STUDY SKILLS training programme on Thursday 11th April 2019. This training will take place **in school** and each student will be given a half day of focussed training. **Every 2nd Year student is asked to do this training.**

A professional study skills company, The Super Generation, has been asked to present this programme. This company provides study skills techniques and training in many secondary schools in Ireland. This is a wonderful opportunity for your son/daughter to gain age appropriate study skills that will be essential not just for their Junior Certificate in 2020, but for every exam that he/she sits in the future.

As we are bringing in an outside company, there is a cost associated with this student training. Parents are therefore asked to help cover these costs by paying €15 for this event. Please indicate on the form below if you wish your child to participate in the training and return it to main office.

All parents are asked to pay €15 online using WAY2PAY, by Friday 29th March 2019 so that arrangements can be finalised.

Yours sincerely _____
