## Re: Study Skills

Dear Parent(s) / Guardian(s),

Coláiste Abbáin is providing the opportunity for your son/daughter to attend a STUDY SKILLS workshop on Tuesday 30<sup>th</sup> April 2019. This training will take place **in school** and each student will access a half day of focussed training. This workshop is being offered to third year students who are part of the Éacht programme and to second year students.

A professional study skills company called 'The Super Generation' will present this programme. This company provides study skills techniques and training in many secondary schools in Ireland. This is a wonderful opportunity for your son/daughter to gain age appropriate study skills that will be essential not just for their Junior Certificate in 2019, but for every exam that he/she sits in the future.

The cost of the workshop is €15, which may be paid online using WAY2PAY before Monday 29<sup>th</sup> April 2019.
